Ksquared Sportstyle or identical twins John and Maurice Kennedy started their journey 5 years ago when they retired from semi-professional sport. They've played rugby league, rugby union and touch football at high levels. They are now strength and conditioning coaches at Narrabeen Sports High School and Warringah Rats. One of their points of difference has been their holistic approach to sport and life. They are both qualified wellbeing specialists and will be sharing tools around mindset, nutrition, screen time, physical movement, positive psychology, gratitude and all the different aspects of your holistic wellbeing.
